

Did you know Timothy D. Caruthers?

Tim flew O2s for the 23rd TASS as a Nail FAC out of NKP from Nov 1970 until 1971. It is believed he flew over Laos.

His obituary read at:

<https://hillfhpuvallup.com/tribute/details/141817/Timothy-Caruthers/obituary.html>

His daughter, Ainsley, would very much like to talk to anyone who can shed light on Tim's tour.

If you can help, please contact ainsleycaruthers@gmail.com
